KUCOAN - Spanish Edition of Cominform Journal

REF: [ ] -1805

1. We appreciate your sending us subject publication.

2. Could you perhaps provide us also with information as to the distribution of this journal? In particular, we are interested in obtaining answers to the following questions:

a) How does it come into Mexico? Directly by mail to individual addressees or in bulk shipments to a distribution office in Mexico?

b) In the latter case, can you give us the names and addresses of the distribution office(s) in question - if possible, also samples of their stationery, envelopes or at least imprints of the rubber stamps they use as sender on their mail?

c) Is Mexico by any chance re-distribution point for other Latin American countries, too - and if so, for which countries? Is this re-distribution done by individual mail or by bulk shipment? (The latter information interests us especially with reference to WSBURNT).
